

COUNT ON THE TOTALLY HAYWARD® SYSTEM.

Hayward® sets the standard for quality products that deliver what you need for an investment as important as your pool. Pool owners across the country trust Hayward Pool Products to pump, filter, heat, clean, control, sanitize and illuminate their backyard paradise.

A collection of Hayward pool equipment. In the background is a Hayward AquaLogic control panel with a digital display. To its left is a blue and white multi-port valve. In the center is a large black and tan Hayward pump. To the right of the pump is a large tan Hayward filter tank. In the foreground, there is a black and tan Hayward pump assembly with a white multiport valve. To the right of the pump assembly is a small blue and white Hayward pool cleaner. Above the pump assembly are three circular Hayward logo stickers in green, pink, and silver.
